**Proud Residents Dedicate Waleria Scout Building**

Following 18 months of cooperative community activity, Waleria residents dedicated the Waleria Scout hall at 25000 Madison st. Sunday.

Cost could be kept down to \$3500 since most of the work was done on a volunteer basis.

Robert Waegner, president of the Waleria Business Men's Assn. presided at the ceremonies, attended by leading Torrance officials.

The building was dedicated to Charles Shepard and Tom-

The building contains a meeting hall, stage, kitchen and restroom facilities, as well as a fire place.

Plans are being made to provide camp sites in the hill area.

The nine Scout troops in the Waleria area will be able to use the hall for meetings and activities. Money was raised through various fund-raising projects.
